IMPORTANT: It is the undergraduate student’s responsibility to ensure that there is an official transcript showing successful completion of the course in the Admission’s office. Please check your HUB student services center. If the course is not showing up on the transfer credit tab, please request an official transcript be sent to UB so that we can process your course waiver.

Submit all relevant information (Catalog Description and Syllabus), along with your signed Course Waiver to the CDS Dept. Secretary, located in 122 Cary Hall.
