

SUNY COMMUNITY COLLEGE AS TO UB BA/MUSB TRANSFER AGREEMENT

This agreement is meant to facilitate the transfer of graduates from a SUNY Community College's Associate in Science (Music) degree to the Bachelor of Arts or Bachelor of Music Performance degree programs at SUNY Buffalo. The agreement provides a seamless two-plus-two transfer opportunity that should reduce unnecessary repetition of general education and curricular content.

Students that complete the AS degree (Music) at a SUNY Community College are guaranteed admission with full junior standing in the BA Music degree at the University at Buffalo. Students wishing to enroll as juniors in the MusB degree will also be required to pass the music audition. Students enrolling in the BA degree can transfer a maximum of 24 music credits, while those enrolling in the MusB degree can transfer up to 45 music credits. A transfer student's ability to complete their degree at the University at Buffalo in two years is conditional on passing placement exams in music theory and history.

Grades for music courses that will count toward the major must be a C or higher regardless of where they are taken.
