State University of New York at Buffalo

# **MATH PLACE**

## **FREE VIRTUAL TUTORING**

### WHAT IS THE MATH PLACE?

The Math Place is a **FREE** peer tutoring service specifically designed for undergraduate UB students in ULC or Mathematics classes.

### WHAT COURSES DO YOU OFFER TUTORING FOR?

Tutoring is offered for the following courses ONLY:

ULC - 147, 148

MTH – 121, 122, 131, 141, 142

### HOW DOES ONLINE TUTORING WORK?

The Math Place has a Discord server where students can meet with tutors one on one in voice chat or video chat, where both you and the tutor have the ability to share your screens. You can ask tutors questions, work with tutors on problems, or work with tutors on your math skills. They're an excellent resource to help you study for quizzes and exams!

It is **FREE** drop-in tutoring (no appointment necessary!) Just join our Discord server, become authenticated, and meet with tutors any time that we are open!

### HOW CAN I USE IT?

During the Spring 2021 semester, **THE MATH PLACE IS ONLINE AT**

<https://arts-sciences.buffalo.edu/ulc/math-place.html>

Or search "UB Math Place" to find us!
