LANGUAGE INTENSIVE PRESCHOOL PROGRAM (LIPPs)
This language based preschool program is designed for children between the ages of 2.5-4 years who are experiencing difficulties with language development and/or speech production. Daily activities will focus on vocabulary development, phonemic awareness, following directions, and using appropriate social interactions. In addition to participating in a cooperative group setting, your child will be provided individual sessions focusing specifically on his or her speech and language goals. The class has a maximum enrollment of 8 children.
T, W, TH 9:00-11:00
Cost: $325 (+ $35 Registration fee)

SOCIAL COMMUNICATION GROUP
COMMUNICATION CAFÉ
BREWING YOUR POTENTIAL
This summer program focuses on developing social language skills in children and teens (7-15) who struggle to communicate effectively. The Café is envisioned as a supportive and dynamic social environment that will encourage appropriate communication skills and provide transitions support using group instruction, creative arts, and team and confidence building activities.
T, TH 12:00-3:00
Cost: $225.00 (+ $35 Registration fee)

LANGUAGE AND LITERACY PROGRAM
This program, offered to participants entering 1st and 2nd or 3rd and 4th grade, is designed for children who have mild to moderate deficits in language development, phonology, and are at risk for difficulties in reading and spelling skills. This camp will focus on surrounding campers with interactive phonics based production and perception activities that will strengthen core skills in sound awareness and speech intelligibility. Other skills that will be addressed include strengthening vocabulary skills, social and attention skills, and narrative language skills.
T, TH 9:00-11:00 Entering 1st and 2nd grade
T, TH 9:00-11:00 Entering 3rd and 4th grade
Cost: $225.00 (+ $35 Registration fee)

EMPOWERED TO SPEAK
This program is specifically designed for school-age children and teens (7-18) who stutter. It will incorporate both individual and group therapy using a 'whole-child' approach for effective communication. Each child will work on individual goals in a supportive environment that addresses education about stuttering, incorporates fluency enhancing and modification strategies, and encourages children to break down communication fears, to be a more confident and effective communicator.
M, W 12:00-3:00
Cost: $300.00 (+ $35 Registration fee)
ETS will run 6 sessions from July 8-24th
It will not meet the first week in July

ARTICULATION BOOT CAMP
Limited space offerings for 1 hour individual therapy sessions, two times weekly, for those children ages 4-15 who have articulation concerns. The one hour individual sessions would include an intense focus on remediating speech-sound errors. Availability for Monday and Wednesday sessions. Call for time availability.
