

The CAS Policy Committee (at the October 28, 2013 meeting) adopted this implementation of the *CAS Bylaws* provisions governing APT vacancies:

The *CAS Bylaws* provisions governing Appointments, Promotions and Tenure Committee vacancies shall be applied to temporary vacancies. A temporary APT vacancy may be filled by a candidate not elected in the immediately prior election for the duration of the vacancy; the member temporarily on leave shall resume APT membership upon return. The candidate not elected shall then be eligible to fill any other vacancy occurring prior to the subsequent election.
