

MA Student Entry Questionnaire

Student Name:

- 1.) When is your anticipated graduation date? (Spring 2020, Summer 2020, Fall 2020, or later)
- 2.) Are you planning on applying to a professional health program after you finish the MA program? If so, which one? If not, what are you considering doing after you finish?
- 3.) What type of research project are you looking to complete (laboratory, data analysis, literature, other)?
- 4.) How did you find the MA program in Biological Sciences?
- 5.) Why did you decide to join the MA Program?
- 6.) Any feedback about the application process or advising so far?
